

April, 2009

To Whom It May Concerned

Dear Sirs,

**ANNOUNCEMENT for
CHANGE OF MATERIAL**

- 1) The ITEMS to be applied:
All models of NSU Type Plastic Spur Gear with Steel Core.
- 2) New MATERIAL:
MC602ST instead of MC601ST for plastic teeth only.
- 3) REASONS:
To improve the cutting efficiency of the plastic teeth.
The characteristics of new material are same as MC601ST.
- 4) PRICE:
To remain unchanged.
- 5) New material will be adopted from April 1st production,2009.
- 6) The products with new material can be recognized by our
production lot number.

Your kind attention on this matter shall be highly appreciated.

Sincerely Yours

KHK CO., LTD.
